

# Joey and Ashley Urgently Need a Loving Home Together...Won't You Please Help Them

**JOEY AND ASHLEY** -- Joey, a male neutered tan/white hound mix, ~50 lbs., Ashley, a female spayed shepherd mix, ~60 lbs., both ~5 years old, excellent with everyone and other animals, both are housebroken and they adore each other. They are inseparable and love to run and play. Joey has that hound in him and will possibly run if given the chance, so they both need a real, secure fenced in yard and to stay together. Ashley has some of the shepherd protectiveness in her and just needs an experienced home where her family understands that trait...it may take Ashley some time to adjust to new people and new surroundings. They like to play together but are also very calm, mellow and gentle most of the time. They are wonderful dogs and a joy to have and they are extremely affectionate and loving, and give loads of kisses to who they are with. They are very well behaved and love getting

attention and have so much love and affection to give back. They both have had a bit of a hard life and so deserve a forever home -- together of course.
