

Jennie & Annie Need a Forever Home

JENNY AND ANNIE -- Jennie, the mom, female spayed, approx. 1 1/2 years old, shy at first and then comes around. Her baby Annie is adorable, 1 years old, playful, active and less shy. They are mostly black with white under their chest and paws. They are identical. They need a somewhat quiet, less activity adult home. They are inseparable and will be placed together. They have been homeless a long time and so deserve a forever, spoiled home. To meet Jennie and Annie is to adore them.

This mother and daughter deserve to be loved and live in a permanent, forever home. Won't you please help them?

We have many other dogs and cats in urgent need of foster and/or permanent homes. Many are living in a cage and starving for affection. They may be viewed at any time on our website, and applications are also available on the site. Volunteer assistance and donations are also needed and greatly appreciated to help our needy animals.
